

# DROP-IN EVENT

SaskPower is looking for a site for a potential nuclear power facility. Stop by to learn more about the project and see the latest small modular reactor siting maps.

**Share your priorities to help us narrow options for a potential site.**

## IN-PERSON EVENT

Stop by anytime between the hours listed below

**No registration necessary**

September 22 | 4:00 p.m. to 7:00 p.m.

The Shack | Hitchcock Bay, SK

Light snacks and refreshments will be served.
